DEFENDANT'S PROPOSED JURY VOIR DIRE QUESTIONS

1. If you are selected as a juror in this case, can you presume that Dr. Hocog is innocent of the charges and hold the Government to its burden of proof beyond a reasonable doubt? If you cannot do this, please hold up your hand.
2. Are you, or is any member of your immediate family, a member of a law enforcement agency either at the present time or in the past?
3. If the evidence in this case shows that Dr. Hocog did the right thing by treating his patients' medical conditions without violating any law, are you willing to find Dr. Hocog not guilty?
4. Do you have any problems or prejudices with the fact that the law treats doctors differently than non-doctors regarding the distribution of controlled substances? If yes, please hold up your hand.
5. Does anybody think or feel that federal law enforcement personnel seldom make mistakes?
6. Does anybody think or feel that a defendant is probably guilty because he or she was indicted?
7. Does anybody have any bad experience with any doctor at the Commonwealth Health Center? If so, which doctor?
